

**CITY OF PLACENTIA
MEMBER OF THE CITY COUNCIL**

SCOTT NELSON
OCCUPATION: Businessman

AGE: 47

We have a great city! A city full of opportunity and citizens who choose to live here for the "Placentia" way of life. My wife, Robin and I want to see it remain that way.

This is a crucial time in Placentia's history. Budget problems, train whistles, "OnTrac" and redevelopment issues have clouded our future and created a divide in our community. We need to restore dignity, respect and civility to Council.

I have been self-employed as a financial services broker for almost 25 years and have also owned a retail business. I have just completed serving as Vice Chairman of the Planning Commission. In addition, I have served as an HOA President for five years and served on numerous boards for youth and sports groups.

I believe that my obligation as a councilmember would be to listen to and serve the citizens. I would continue, as I have while planning commissioner, to make decisions based on the best interests of the stakeholders of this fine city.

I appreciate your support. You may call me at 524-7779 or e-mail at snelson977@aol.com.

Thank you! Let's bring the Pride back to Placentia.
